

## Testing Google Vision and Microsoft Vision

The table below is not a random sample. It is a collection of images that I thought would be interesting to process or produced interesting results.

The Green box is the area marked by Microsoft as a face, or if there was none, the area marked by Google if there was one.

The red and blue boxes were my estimates of where redaction would be required.

MS Caption: **a woman standing in front of a mirror**

MS Keywords: **person, clothing, indoor, woman, bathroom, mirror, standing, young, dress, front, looking, teeth, girl, reflection, brushing, underwear, holding, black, wearing, suit, water, kitchen, bathtub, white, room, board, tub, umbrella, phone, man, shower**
